

“Skills for Care funding really has given me the ability to lead an independent life”

Sharon Taylor-Brown employs a team of PAs and she applied for funding to pay for her PAs to attend training as part of the Care Certificate.

As a result of the traini

Skills for Care funding really has given me the ability to lead an independent life despite crippling disabilities.

Apply for funding

If you get a personal health budget and employ PAs, apply for funding for training. It can be used for care related training to help you as an employer, or to develop the skills of your PAs. Find out more www.skillsforcare.org.uk/PHBholders.
