GOVERNOUS THE PROPERTY OF POSTE AND TRUSTED SUPPORT

It is aimed at services who either have a non-executive board or board of the services who either have a non-executive board or board of the services who either have a non-executive board or board of the services who either have a non-executive board or board of the services who either have a non-executive board or board of the services who either have a non-executive board or board of the services who either have a non-executive board or board of the services who either have a non-executive board or board of the services who either have a non-executive board or board of the services who either have a non-executive board or board of the services who either have a non-executive board or board of the services who either have a non-executive board or board of the services who either have a non-executive board or board or board of the services who either have a non-executive board or b

The Care Quality Commission (CQC) does not dictate if a service needs a board / trustees, but all charities will require a board of trustees and public limited commanies require non-executive board members. Increasingly, non-e
